

### **Termination of the provision of electronic services to the registered user**

108. The Director General may, at any time by notice to the registered user, terminate the provision of the electronic service to the registered user if he—

- (a)* fails to comply with any terms and conditions imposed by the Director General;
- (b)* contravenes any regulation in this Part; or
- (c)* notifies the Director General for the cancellation of authentication code and electronic service account assigned to him.
